

M. Eyup Muhcu
CAT President

Paris, 11th June 2013

Dear President, Dear Eyup Muhcu,

I have given all my attention to the content of your letter dated 11 June 2013. It is with gravity that I respond to you the same day. The complexity of the situation in your country that you describe in your letter brings a very different view from what the international media depicted recently.

As a matter of fact, UIA expresses its full solidarity towards the Turkish architects and the Chamber of Architects of Turkey, one of the most active members of the UIA, every time they will face situations that will prevent them from carrying out their role.

The UIA Bureau that meets next week in Denver, Colorado, will seriously examine the best manner to respond to your request and to show the UIA support to CAT together with the UIA Vice-president Region II, Deniz Incedayi.

With best regards
